*It is required by Japanese law (Emigration and Immigration Management and Refugee Recognition Law) that international students attend a minimum of 10 hours of classes per week. Since one class session lasts for an hour and a half at Ritsumeikan University, you must take at least 7 sessions of classes per week in order to satisfy this requirement.

*BT Courses for Graduate Students
The courses in the BT track at graduate level are very limited. For those who wish to study in the BT track and will be graduate level at the time they start the program, please check the tentative course list “2018 Academic Year SKP-Business Track: Classes for Graduate Students” on the last page before applying for the program.

*OSE, BT Japanese Courses
While Japanese ability is not a requirement for participation in OSE or BT, students with limited background in the language are eligible for an optional Japanese course. Please be aware that OSE and BT Japanese language courses are only available at the Introductory Level and that these courses may not meet the needs of all students. Moreover, OSE and BT students are only eligible for Japanese classes offered within their own track of enrollment. Those who have previous formal Japanese language study experience are required to take a Japanese Placement Test. If their Japanese skills exceed the level of these Japanese courses, they will not be able to register for these courses, even if they wish to do so.

*The track cannot be changed after your application is received.

Requirement

*Meet Requirement a) or b)

a) Currently enrolled in an institution of higher education for at least one year prior to the commencement of the program.

b) Have graduated from an institution of higher education with a bachelor’s degree or equivalent (This does not apply to students nominated through partner universities).

* Applicants from partner universities must have a higher score than the criteria mark written in the Agreement for Student Exchange. For other applicants, the standard is **GPA 3.0/4.0** (B
average). For other information regarding enrollment requirements, please see the Study in Kyoto Program website or pamphlet.

*Language Requirement:

For IJL track:
Japanese language ability is not a prerequisite. However, basic communication ability in English is required for students with no previous experience with the Japanese language.

For OSE and BT track:
