## Liberal Arts Courses Group B : "Liberal Arts Seminar"

### <Course Outline>

The courses cover cultural themes related to each instructor's expertise. Students expand their knowledge and learn with other students who have a variety of cultural backgrounds through exchanging their opinions in a small group.

### <Attainment Objectives>

- Learn about the theme specific to each class
- Build solid global perspectives

### <Important Notes>

Each course specifies the expected range of the language proficiency of the target course participants. Please confirm the level of the language before deciding to register. The students whose language proficiency is above the specified range are welcome to register, although please be aware that the instructor may need to adjust to the students who are within the target level.

The "Teaching Language" will be the primary language used by the instructor in class. However, Japanese will also be used to help facilitate learning when needed.

Once your placement is confirmed, you will not be able to cancel these courses.
