Student Life and Career Planning

Build your experience in Japan

Your Path afterwards

9

2. Job Hunting in Japan

Number of students employed by Japanese companies:

(International Students, class of 2020)

Students employed in Japan: approx. **170**

Students employed in public-listed companies: approx. **50**

What did they have in common?

- > Business-Level Japanese
- > Spent a lot of time together with Japanese people

Be

2. Job Hunting in Japan

Business-Level Japanese

is required by the end of 3rd year (Undergraduates) or 1st year (Graduates) if you want to work in Japan.

You should start learning Business Japanese from today.

Most Japanese companies hire international students who can make business with local Japanese.

Beyond Borders

11

2. Job Hunting in Japan

What Business-level Japanese is

- (Reading) Able to read business Japanese correctly
- (Writing) Able to write Japanese without grammatical mistakes
- (Listening) Able to understand spoken Japanese at natural speed
- (Speaking) Able to speak Japanese at the same speed as Japanese

Required native Japanese level.

If you are...

- > able to understand when it's not too fast.
- > still at a conversation level.
- ⇒ You'd better improve your Japanese.

Beyond Borders

12

2. Job Hunting in Japan

Let's make Japanese friends and join Japanese community!

It brings you...

- improve your Japanese skill!
- understand Japanese culture furthermore!
- learn about Japanese behavioral traits!
- get used to communication between Japanese people!
- build a network!

2. Job Hunting in Japan

You need to be **well prepared** for job hunting in Japan!

Come and visit the Career Center!

Understand job-hunting process and schedule.

- ◆ Most Japanese companies start recruiting activities at the same time.
- ◆ Career Center provides career guidance for **3rd year (Undergraduates) and 1st year(Graduates)** students.
- ◆ International students are required to have a job offer **before graduation.**

2. Job Hunting in Japan
