GS Major

Students who receive scores below 520 with TOEFL® ITP test that they take after entering Ritsumeikan University may not be able to take some of the courses required for graduation from the first semester until they achieve 520. They will also have to take intensive English courses in order to improve their English until they achieve 520.

JD Program

- (1) In order to attend American University (AU), all students must have a minimum score of 85 or higher for TOEFL iBT® (scores for each section of the TOEFL® should be 20 or higher), Overall Band-score 6.5 or higher for IELTS (scores for each component of the IELTS should be 6.0 or higher), 60 or higher for PTE Academic, SAT Reading sub-score of 30 or higher, ACT English Score of 25 or higher or Duolingo English Test score of 115 or higher. A student who does not meet this requirement by the end of their 1st academic year will not be allowed to take courses at AU from the fall semester of their 2nd year, and their graduation will be delayed. In that case, upon the student's request and the College's approval, the student may be allowed to transfer to Department of International Relations at Ritsumeikan University. (Tests must have been taken within the last two years prior to May 1 of the 2nd academic year.)
- (2) Students of JD Program are restricted from taking some courses, such as Teacher-Training courses, foreign language courses other than Japanese language courses, or courses offered by other colleges at Ritsumeikan University because of the JD Program curriculum and the program structure. Furthermore, students will not earn credit from any other study abroad programs. When students apply for a leave of absence, they may only apply for units of one year (two semesters), not one semester.
- (3) Students who begin their studies at Ritsumeikan University (RU Home Students) will need to be able to submit AU Certification of Finances (AU CFIS) and a bank letter in order to meet visa requirements to enter the United States and enroll AU. As of the 2021-2022 AU academic year, the amount they must be able to certify is 70,231USD. This amount is subject to increase each year based on the associated costs (such as tuition, mandatory fees, cost of living, etc.).

ISSE Course

- (1) In order for the applicants to better understand Information Systems Science and Engineering, in addition to completing basic Algebra subjects, taking at least one subject of Physics, Chemistry, Biology, and Computer Science is recommended. However please note that this will not affect the application procedure and the University Entrance Eligibility.
- (2) The College of Information Science and Engineering will be relocated to Osaka Ibaraki Campus in April 2024. Students enrolling in 2022 will be studying their third and fourth year at Osaka Ibaraki Campus. See [here \(en.ritsumei.ac.jp/e-ug/update/relocation.html/\)](https://en.ritsumei.ac.jp/e-ug/update/relocation.html/) for details.

- (1) To be eligible to take the Australian Nationality University (ANU) courses, students must meet standards for academic ability. Hurdle requirement is assessed only one time at the end of the semester when students have undertaken courses and received grades for a total 32 Ritsumeikan University (RU) credits. Withdrawn grades are not included in this calculation. Students who fail to meet the standards cannot continue coursework in the dual degree program and are not eligible to earn an ANU Bachelor of Asia-Pacific Affairs degree. Students in this situation work to graduate by completing their second and subsequent years of study in the Single Degree Track, which consists of RU courses only. They are awarded a bachelor's degree from RU in Global Liberal Arts.
- (2) In following the tradition of liberal arts education, the College of Global Liberal Arts (GLA) strongly encourages students to live in the university dormitory, OIC Global house (OIC G-House). This would provide them with an educational environment that encourages ongoing learning outside the classroom and library. The duration of stay at OIC G-House will be until when students leave to study at ANU. After returning to RU, the university will introduce students to resources to help them find housing on their own.
- (3) GLA provides pre-admission orientation sessions to students accepted on the dual degree program for the following purpose; facilitate the students' transition into the program through actual learning experiences. As the GLA curriculum covers diverse disciplines across humanities and sciences, students can customize the academic experience according to their own purposes. In order to prepare for such a new learning environment, students are provided with information on the GLA curriculum and courses. The orientation also helps students to become familiar with how to take a longer-term perspective in planning their registration for courses over the next four years.

*Further details regarding the pre-admission orientation sessions will be provided to successful applicants.

1. Status of Residence of International Students

In principle, individuals without Japanese nationality or a valid status of residence in Japan must acquire the status of residence “Student” in order to enter Japan as a university student.

- ❖ International students at Ritsumeikan University are, in many cases, required to possess the status of residence “Student” in order to apply for scholarships.

2. COE and Obtaining a Student Visa

In order to acquire the status of residence “Student”, individuals without Japanese nationality must show a “Student” visa at the immigration control when entering Japan. A “Student” visa will be issued at a Japanese embassy or consulate in the country or region of residence.

To apply for a “Student” visa, students will need to submit a “Certificate of Eligibility (COE)”. The COE can only be issued by the immigration bureau in Japan when the proxy in Japan, such as the university students intend to enroll at, makes an application on behalf.

The University will apply for the COE on behalf of the successful applicants from outside Japan only when we judge that a COE is necessary for them and that they meet all the following requirements.

- (1) Applicant is currently living outside of Japan and requires a COE to obtain a “Student” visa.
- (2) Applicant has paid the Admission Fee, Tuition Fee(s), and other required fees by the stipulated deadline.
- (3) Applicant has submitted all the required documents by the stipulated deadline and can prove that they have sufficient finances available to cover their period of study.

Before applying for the COE on behalf of the successful applicants, the University must confirm the applicant’s intent to enroll. The University considers payment of all required Enrollment Procedures Fees by the successful applicants to be a confirmation of their intent to enroll.

Applicants who are to obtain Student Visa, must submit the required documents during the “Document Submission 1” period specified in [3. Submitting Enrollment Documents](#).

More information about the procedures relating to acquiring a status of residence in Japan will be provided in the [After-Admission webpage](#).

NOTE

- Those with Japanese nationality and those living in Japan who possess a valid Japanese Residence Card with a valid Residence Status do not need to apply for a Certificate of Eligibility (COE).
- The university will not provide support for students who intend to apply for visa types other than the “Student” visa.
- **For those in Japan on a “Short-Term Stay” travel visa:** Ritsumeikan University does not accept applications to change a person’s Residence Status from “Short-Term Stay” to “Student” while in Japan.
