## International House Utano

### Guidebook

---

Updated: December 2022

According to its Charter, Ritsumeikan is committed "to building an institution where many cultures coexist in the spirit of international mutual understanding." The Ritsumeikan University International House Utano (hereinafter "I-House Utano") realizes the spirit of the Charter by serving as a facility for practical international exchange and joint activities between international and domestic students, thereby advancing the internationalization of education and research at the university.

I-House Utano provides living facilities for undergraduate and graduate level international students from diverse countries and regions, as well as for domestic students. The I-House offers a safe and comfortable environment for students with no previous living experience in Japan to adjust to their new lifestyle and studies. Additionally, by interacting daily with their fellow I-House residents from different cultural backgrounds, students have the opportunity to develop and improve their intercultural communication and language abilities, both of which are essential skills in the 21st century's globalized society.

I-House Utano is not a hotel, but rather a "home" for its residents, where they will develop lifelong friendships. All I-House residents are encouraged to abide by its rules and participate actively in intercultural exchanges and events with fellow residents and the local community in order to make the most of their I-House Utano experience. I-House Utano is also intended to help residents practice a Japanese lifestyle and develop their ability to understand and live independently under the rules of Japanese society.

Details will be announced after you move in.

**Note:** In the case of international students, the JP Bank account status is “NON-RESIDENT” until you spend 6 months after entering Japan. Please make sure to complete the procedure to change your account status from “NON-RESIDENT” to “RESIDENT” at the post office immediately right after you spend 6 months after entering Japan. If you miss this procedure and the high handling fee is incurred at the time of the security deposit refund, please be noted that you have to bear this fee.

## III. Procedures for Moving Out

### 1. Preliminary Procedures

You must turn in a "Request for Moving out (退寮願)" to the I-House Manager's office by no later than 22:00 on the date that is one (1) month before your desired move-out date. Once it is received and accepted, your "move-out date", "base date for calculation of final fee" and "the amount of final fee payment" will be decided.

#### Notes

- If you turn in the "Request for Moving out" by the deadline (22:00 on the date one (1) month before your desired move-out date), the "base date for calculation of final fee" is same as your "move-out date".
- If your approved period of stay at I-House Utano is one (1) month or less, you must submit the "Request for Moving out" to the I-House Manager's office when you move in.

#### Caution

- You must schedule moving out between 10:00 and 16:00 on a weekday. You are NOT allowed to move out on Saturday, Sunday or a national holiday, or outside of the hours noted above.
- If you would like to take a taxi or use a shared ride shuttle service to the airport when moving out, you need to make a booking on your own and inform the I-House Manager's office with the pick-up time in advance. Also, on the day of departure, residents are required to be present for a final inspection of their room, conducted by the I-House Manager. Therefore, your "move-out time" must be scheduled at least thirty (30) minutes prior to the pick-up time.
- If you fail to turn in the "Request for Moving out" by the deadline (22:00 on the date one (1) month before your desired move-out date), the date one (1) month after submitting your notice shall be the "base date for calculation of your final fee payment" and, due to this, you will be obligated to pay any extra fees determined and billed in accordance with this date. In other words, if the period of time between "the submission of notice" and "your desired move-out date" is less than one (1) month, as a penalty, you will be responsible to pay fees for the second half of the month (despite you are moving out in the first half of the month) or the following month.
- Please refer to "IV. Fees and Payment, 3. Payment of Fees at Departure" for details regarding the move-out date and the amount of final fee payment, etc.
- If you need to change the move-out date and/or time on the submitted notification, you must consult the I-House Manager's office at least three (3) days before your fixed move-out date. Depending the circumstances, you may be responsible for additional rent and all other fees or you may receive the reduction of rent for the move-out month. Please follow any instructions from the I-House Manager's office regarding this matter. Also, if you overstay the date on your "Request for Moving out" without advance consultation, you will be billed for all fees, including rent and other mandatory fees, beginning on the following day of original move-out date.
- In principle, the residents' security deposit will be refunded by bank transfer to their registered JP Bank account within 60 days of moving out (those who have been in Japan for 6 months must go to the post office to change the account setting to "RESIDENT"). The transfer/remittance fee is the responsibility of the resident. In case you must return to your country right after moving out, when you submit the "Request for Moving out", please consult the I-House Manager's office how to receive the refund.
- Residents must pay all bank-levied fees/expenses required for the bank transfer. This applies to the overseas remittance as well in case residents would like to receive the refund of security deposit to their overseas bank account due to their own convenience.

## 2. Pre-departure Inspection

- Prior to moving out, the I-House Manager will visit your room for a pre-departure room inspection. In general, residents are required to be present for this inspection.
- In general, the inspection will be scheduled around ten (10) days prior to your move-out date. All pre-departure inspections will be held **between 9:00 and 17:00**.
- The inspection schedule will be fixed when you submit your "Request for Moving out" to the I-House Manager's Office.

## 3. Obligations before Day of Departure

- Residents must prepare to remove all personal belongings from their rooms. Any large garbage items must be disposed before departure. Reservations for pickup of large garbage items must be made by phone to the Kyoto City Garbage Call Center at ten (10) days before the desired collection date, so please consult with the I-House Manager regarding garbage collection as early as possible.

**Note:** Please refer to "**VI. Use of Facilities at I-House Utano, Individual Rooms, 12. Garbage**" for details on how to dispose of garbage.

- If you need to use the parking area at I-House Utano when moving out, consult the I-House Manager's office at least two (2) weeks before the move-out date.

## 4. Procedures on the Day of Departure

- On the day of departure, residents are required to be present for a final inspection of their room, conducted by the I-House Manager, and to follow any directions given at that time. If it is determined that the room's wallpaper, carpet, or furnishings need to be replaced, repaired, etc., the cost of the necessary maintenance may be taken from the resident's Security Deposit or the actual fees billed directly.
- Residents must return their room key to the I-House Utano I-House Manager's office when moving out.

## 5. Eviction

The Executive Director of the Division of International Affairs reserves the right to evict I-House residents for any of the following reasons:

- Failure to pay rent or other fees for two (2) months.

**Note:** Residents staying in the I-House for less than three (3) months must pay all of their fees for the period of residency, except for the Security Deposit noted above.

(2) Monthly Lodging Fees

	Rent	Bedding Rental	Total
Room Type A (1F - 2F)	43,000	2,000	45,000 yen
Room Type B (1F)	60,000	2,000	62,000 yen

### 2. Payment of Fees

(1) Payment of fees due upon moving in:

- Please pay the invoiced fees by bank transfer to the designated account by the deadline.
- Residents must pay all the bank-levied transfer fees.
- Please pay all fees in Japanese Yen.
- In the event that you are only able to transfer funds in US dollars, Euros or local currency, it will be exchanged to yen at the beneficiary bank's effective exchange rate on the day of receipt. Any resulting imbalance will be assessed after you move in.

(2) Payment of fees after moving-in:

Residents staying in the I-House for three (3) months or more are required to open a bank account at JP Bank and complete all the necessary paperwork for automatic withdrawal of monthly fees

- Monthly lodging fees for the next month will be automatically withdrawn from the registered JP Bank account on the 26th of each month (in the event that the 26th is Saturday, Sunday, or a holiday, withdrawal will occur on the following business day). Residents are required to pay all bank-imposed automatic deduction fees. Therefore, you must make sure that you have sufficient money in your JP Bank account to cover “your monthly fees AND automatic deduction fees”. For any details, please check the invoice provided through the I-House Manager’s office.
- In the event that required fees (monthly fees AND automatic deduction fees) have not been put in your account and cannot be withdrawn on the 26th due to insufficient funds, the second attempt to withdraw will be exceptionally made on the 10th of the following month (in the event that the 10th is Saturday, Sunday, or a holiday, withdrawal will occur on the following business day).  
**Note:** Residents will be responsible for paying the bank-imposed automatic deduction fees when the withdrawal attempt is successfully completed.
- In the event that the second attempt also fails on the 10th, an exceptional arrangement will be made and any unpaid amount will be added to the regular required fees to be collectively withdrawn on the 26th of the same month. However, if no further withdraw is scheduled for the month due to the resident’s upcoming scheduled move out, the resident will have to immediately pay the required fees through a manual transfer. In this case, the resident will be responsible for any transfer fees incurred.
- Residents who are delinquent in their payment for two (2) consecutive months will be evicted, so please pay close attention to your payment schedule.
- If you will be away from the I-House for an extended period of time, such as traveling during the long vacation, please be certain to leave enough money in your JP Bank account to allow for necessary lodging fees to be withdrawn during your absence.
- In general, fees cannot be paid in cash.

**(3) For residents staying for less than three (3) months**

- Residents staying in the I-House for less than three (3) months must pay all of their rent and bedding rental fee beforehand in one payment. There will be no lodging fees after moving in.
- Residents staying in the I-House for less than three (3) months are not required to pay a security deposit. However, if it is determined that the room's wallpaper, carpet, or furnishings need to be replaced, repaired, etc., the actual cost for necessary maintenance will be billed directly.

**3. Payment of Fees at Departure**

**(1) Confirmation of Base Date for Calculation of Final Fee Payment**

Based on your submitted “Request for Moving out”, the base date for calculation of final fee (the date through which your last monthly fee is assessed) and the amount of the final payment will be determined. You are responsible for paying all fees billed in accordance with this base date.

- Residents whose base date is on or before the 15th of the month will pay half of the month's rent and entire month's bedding rental fee (e.g. if you move out on the 13th, for Room Type A, you need to pay 21,500 yen as rent and 2,000 yen for bedding rental cost, and for Room Type B, you need to pay 30,000 yen as rent and 2,000 yen for bedding rental cost).
- Residents whose base date is on or after the 16th of the month will pay the entire month's rent and bedding rental fee (e.g. if you move out on the 17th, for Room Type A, you need to pay 43,000 yen as rent and 2,000 yen for bedding rental cost, and for Room Type B, you need to pay 60,000 yen as rent and 2,000 yen for bedding rental cost).

**(2) Room Maintenance and Repair Fees**

All rooms will be subject to an inspection when residents move out. Residents will not be responsible for damage or wear resulting from routine use.
