Towards a New Development of Meridian 180

International Symposium of Meridian 180 on “City, Public Value, and Capitalism”*

*The launch of an E-book produced jointly by Ritsumeikan University and Northwestern University

The Asia-Japan Research Institute, Ritsumeikan University has been promoting academic collaboration in partnership with Northwestern University for four years. As one of the achievements, an E-Book entitled City, Public Value, and Capitalism (Hiroyuki Mori, Tomohiko Yoshida, and Ari-Veikko Anttiroiko eds.) was published by Northwestern University Libraries in cooperation with the Northwestern Buffett Institute for Global Affairs in June 2022.

During the symposium, guests from Northwestern University will join in commemorating the publication of this E-book, as well as reviewing and holding discussions with the authors and participants.
