

# I

## English Paper Writing Grant

a maximum of **200,000** yen

### Usage

book/material costs, material copy costs, domestic travel costs etc.

### Benefits

- For those who receive the grant for the first time, by combining it with the “English Paper Writing Support Program”, not only will you be able to pace yourself up to submitting your paper to AJI Journal, but you will also be able to get advice on the correct use of English expressions, how to present and structure your paper logically in English, and how to make your research appeal to the international academic world.

# II

## International Workshop Planning and Execution Grant

a maximum of **600,000** yen

### Usage

the expenses for holding international symposium/collegium/workshop/seminar in domestic/overseas (travel costs, honorariums, venue usage costs, book/material costs etc.)

### Benefits

- Networking with overseas researchers
- Recognition as one of research achievements being in charge of planning and organizing the research meeting.
- Opportunity to refine the concept of a paper in anticipation of III (International Co-Authoring Paper) .

# III

## International Co-Authoring Paper Writing Grant

a maximum of **400,000** yen

### Usage

the grantee's own cost of traveling overseas, domestic travel cost, staying expenses etc.

### Benefits

- The point is the grantee takes the initiative to write papers while working with co-authors.
- To complete a good thesis, it is important to travel abroad to meet co-authors, or invite them to Japan to hold workshops to discuss the content of the thesis.
