Step(1) Preparing the Photo for Student Information Card (About Photos)

- Please prepare your photo data taken from the front in photo booth/photo studio. If you cannot prepare, please pay attention to the following guideline and take a photo with a digital camera, smartphone etc. Please do not retake an existing paper photo with your smartphone or scanning to avoid to make the image rough.
- You may use a photo wearing high school uniform, but keep in mind that the photo will be used throughout your college years as your student ID photo.
- The photo must be in color, clear background and face must look straight forward. You must not wear head covering except for medical and/or religious reasons.
- It is preferable to upload the ID photo you used for your application to Ritsumeikan University. If it is no longer available, upload a new photo clearly showing that the individual on the new photo is the same person.
- Ritsu-Mate only accept jpg, jpeg, gif or png. For each file name, use only alphabets, numbers, ". (period)", " (hyphen)", or " _ (under bar)". " (space)" cannot be contained in filenames.
