

The 56th AJI Frontier Seminar

Date

June 13, 2023, Tuesday

14:15-15:15

Presentation:
Dr. Polina Ivanova

Senior Researcher, Ritsumeikan Asia-Japan Research Organization,
Ritsumeikan University

Co-Creating Social Capital: Exploring Interactions between International Students and Civil Society in Japan

The speaker will talk about her forthcoming book which explores how incoming international students and local civil society groups in Japan co-create social capital through their interaction. The book also reflects recent changes brought about by the COVID-19 pandemic and their impact on international students and their support groups.
