

International Workshop

"South Korea's General Election 2024 and the Regional Security - Japan & South Korea's Choice -"

International Workshop "South Korea's General Election 2024 and the Regional Security - Japan & South Korea's Choice -" was held at the Ritsumeikan University Center for University East Asian Peace and Cooperation Studies on Saturday, June 15, 2024. The workshop featured detailed analysis and discussions on Japan and South Korea's security policy directions concerning the future Asia-Pacific international situation. Particularly, by inviting former diplomats actively engaged in diplomatic and security fields, the workshop provided a valuable forum for experts to share insights focused on Japan-Korea relations.

Ritsumeikan University Center for University East Asia Peace Cooperation Studies (CEAPCS) actively promotes academic exchanges with various research organizations across different languages and fields.
