

Research Exchange Meeting with Dr. LEE Kyu Yub from the Korea Institute for International Economic Policy (KIEP)

On **Friday, October 25, 2024**, the Center for East Asian Peace and Cooperation Studies at Ritsumeikan University hosted a research exchange meeting with **Dr. LEE Kyu Yub**, a researcher from the Korea Institute for International Economic Policy (KIEP).

This event was organized as part of the Center's **Young Researchers Development Project**, with the aim of providing a platform where graduate students from the Graduate School of International Relations at Ritsumeikan University could engage directly with Dr. LEE, who is actively involved in policy research that influences the Korean government's decision-making. The meeting facilitated a productive discussion, allowing participants to connect current issues in the Asia-Pacific region with their own research topics in an open and meaningful dialogue.

The Center for East Asian Peace and Cooperation Studies continues to actively promote academic exchanges across languages and disciplines with various research organizations.
