

# Career Development in Development

Date:

**13:10-14:45 June 5, 2025**

Place: **KS306 (Koshinkan)**

Speaker: **Seiko Sugita**

Programme Specialist at UNESCO

Seiko Sugita is a holder of master's in political science at Institute of Political Science at University of Aix-Marseille III (France) and PhD in sociology at University of Nantes (France). She has more than 20 years' experience in social development and bilateral and multilateral cooperation in the Arab region. Namely at UNESCO, she has served as Programme Specialist for Social and Human Sciences at UNESCO Beirut Office, covering 19 Arab countries (2008-2025). Her technical advice to government and non-government stakeholders was extensively to support inclusive social transformations and participatory and interdisciplinary policy dialogue to promote youth empowerment, gender equality and ethics of science. On the related themes, she has several academic and technical publications.
