

Ritsumeikan Uji High School IB course

2026 International Examination

WEB Registration Manual

We would like to ask all applicants to register their basic information like their name, address or their course of study on the web registration system and also to make a payment for the examination fee through this system. This will enable applicants to download the "Application Form" and the "Examination card". Also, at the time of announcement of results, you will also need the password you previously set on this system. Please follow this manual to proceed with the registration. (You can create "My Page" even before web registration period.)

(NOTE)

· You will need to register your name and your parent's name in Katakana. Please use "Deep L" or "Google translate" to change the name from English to Japanese. Then, copy and paste your name into the relevant sections. However, if this method does not work well, please e-mail to us. School will support you.
