

The Once and Future World Order Why Global Civilization Will Survive the Decline of the West

Date&Time:

December 12, 2025, 9:00-10:35

Venue: **Meigakukan 001 (MG001)**

Speaker: **Professor Amitav Acharya,
American University, former President
of the International Studies Association**

Language: **English**

Professor Amitav Acharya is a Distinguished Professor at American University, a former President of the International Studies Association, and a world-renowned authority on international relations.

In recent years, concerns have grown that social unrest, political polarization, and the rise of emerging nations may be bringing fundamental transformations to the international order. In this public seminar, Professor Amitav Acharya will talk about his recently published book, "Once and Future World Order" and will discuss the future of the international order, drawing on his extensive knowledge of 5,000 years of world history.
