

Supporting Your Application
for the JSPS Research Fellowship for Young Scientists!

Research Proposal Contest

What is the “Research Proposal Contest” ?

All applicants will receive encouraging feedback and helpful advice from the judges!

“Research Proposal Contest” is a contest on “How to make the idea real” and “How to write the research plan more attractive” .

The contest is designed to help participants apply for the Japan Society for the Promotion of Science (JSPS) Research Fellowship for Young Scientists, and the application form and items are aligned with those of the JSPS program.

Why not take this opportunity to write a research proposal and challenge yourself to see how your research is evaluated objectively by others?

In addition, this year, applicants who wish to receive support can have their application reviewed by faculty members of Ritsumeikan University before submission. Please consider applying for this special review as well!

Application Period (AY2026)

9:00 a.m. on Thursday, September 17 to 5:00 p.m. on Friday, October 2, 2026 (JST)

After reviewing the relevant Moodle page on the right, please submit your application data through the CAMPUS WEB submission form.
